MSRT Technologist of the Year Nominations

The Michigan Society of Radiologic Technologists established the “Technologist of the Year” award in 1968. This award has always been regarded as one of the highest honors bestowed upon a technologist. Technologists who have received this award have been proven to be outstanding models of our profession and to have greatly contributed in the advancement of our professional society by their actions toward those they meet in carrying out the duties of a Registered Radiologic Technologist and member of the MSRT.

As stated in the MSRT’s Guidelines it is the 2nd Vice President’s responsibility to solicit our membership for nominations for candidates for this prestigious award. Any MSRT member may submit a nominate for consideration of the award. Please refer to the following guidelines when considering a nomination.

Eligibility Requirements

- The candidate must be in good standing with the MSRT
- The President, President-Elect, Board Chairman and 2nd Vice President are not eligible

Submitting a Recommendation

- All nominations must be submitted using the “MSRT Technologist of the Year” form (which must be filled out as completely as possible-incomplete forms may be returned to the nominator for additional information).
- Nominators must include a “Letter of Recommendation” with the nomination form.
- At least two (2) references must be submitted so that “Letters of Recommendations” may be requested from them

Letters of Recommendation

Should include, but not be limited to, information pertaining to the following:

- Quality of work
- Abilities as a Technologist
- Professionalism
- Personality, attitude
- Achievements, awards, continuing education, community activities
- Rapport with patients, students, and fellow workers

All nominations will be kept confidential. Candidates not receiving the award will be considered for two (2) consecutive eligible years following their nomination. Completed nomination forms must be submitted no later than June 1st.
